

Species Index

*Page numbers in italic represent
species mentioned only in the text.*

- African snail (*Achatina fulica*), 25
ant lions, see Neuroptera
ants (Formicidae), 125–127
 Adetomyrma (Dracula ant), 127
 Amblypone (Dracula ant), 127
 Anoplolepis gracilipes, 25, 27
 Atta cephalotes (leafcutter ant), 125
 Camponotus detritus (Namib dune ant), 231
 Camponotus gigas, 127
 Dorylus sp. (driver ant), 125
 Eciton hamatum (army ant), 126, 127–128
 Ectatomma tuberculatum, 88, 89
 Leptanilla (Dracula ant), 127
 Odontomachus hastatus, 122
 Oecophylla longinoda (African weaver ants), 130–131
 Oecophylla smaragdina (Indo-pacific green weaver ants), 132–133
 Pachycondyla sp., 136
 Paraponera clavata (bullet ant), 127, 136
 Pheidole (harvester ant), 127, 196, 211
 Polyrhachis sp., 134
 Pseudomyrmex flavicornis, 214–215
 Pseudomyrmex nigrocinctus, 214
 Sericomyrmex amabilis (leafcutter ant), 124
- Auchenorrhyncha (planthoppers, cicadas, treehoppers), 61, 137
 Cercopidae (spittle bugs), 82, 82
 Tomaspis sp. (spittle bug), 83
 Membracidae (treehoppers), 92–93, 133
 Membracis dorsata (treehopper), 92–93
 Umbonia crassicornis (thorn bug), 92
 Zamara smaragdina (emerald cicada), 84–85
- bamboo (*Guadua weberbaueri*), 10
baobab (*Adansonia digitata*), 218
beetles (Coleoptera)
 Buprestidae (jewel beetles), 19
 Cerambycidae (longhorn beetles), 16–17
 Chlorida festiva (longhorn beetle), 102
 Cholus cinctus (weevil), 15
 Curculionidae (weevils), 14–15
 Dicronorrhina micans (golden chaffer), 18
 Euchroma gigantea (jewel beetle), 19
 Euoniticellus kawanus (dung beetle), 212
 Goliathus regius (goliath beetle), 13
 Lampyridae (firefly beetles), 105
 Lepidochora (darkling beetle), 231

- beetles (Coleoptera) (*continued*)
- Oniticellus formosus* (dung beetle), 212
 - Onitis alexis* (bronze dung beetle), 213
 - Onthophagus carbonarius* (dung beetle), 213
 - Rhinostomus barbirostris* (bearded weevil), 14
 - Scarabaeidae (dung beetles), 212–213
 - Staphylinidae (rove beetles), 129
 - Sternotomis pulchra imatongensis* (longhorn beetle), 17
 - Taeniotes scalaris* (longhorn beetle), 16
 - Tenebrionidae (darkling beetles), 230, 235
 - Trachelopharus giraffe* (giraffe weevil), 15
 - Zygopinae (weevils), 137
- bugs, *see* Heteroptera
- bullhorn acacia (*Acacia* sp.), 214
- butterflies, *see* Lepidoptera
- caecilian (*Gymnophis multiplicata*), 46–47
- centipedes (Chilopoda), 120–121
- Scolopendra* sp. (giant centipede), 120
 - Scutigera* sp., 121
- chameleons, *see* lizards
- cicadas, *see* Auchenorrhyncha
- cockroach (*Eurycotis* sp.), 87
- crabs, 23–25
- Armases* sp. (rock crab), 24, 35
 - Birgus latro* (coconut crab), 22, 32–33
 - Cardisoma guanhumu* (blue land crab), 25, 28–29
 - Coenobita clypeatus* (hermit crab), 30–31
 - Coenobitidae (land hermit crabs), 30–33
 - Gecarcinidae (land crabs), 24
 - Gecarcinus*, 25
 - Gecarcinus ruricola* (red land crab), 29
 - Gecarcoidea natalis* (Christmas Island red crab), 25
 - Liberonautes latidactylus* (land crab), 34
 - Malagasya antongilensis* (arboreal crab), 34
 - Ocypode* (ghost crabs), 24, 25
 - Ocypode gaudichaudi* (ghost crab), 26–27
 - Ocypode quadrata* (ghost crab), 26
 - Sesarma* (marsh crabs), 24
 - Sesarmidae (rock or marsh crabs), 25, 35
 - Uca* sp. (fiddler crabs), 24, 26
- crickets (Grylloidea)
- Aclodes* sp. (long-legged tree cricket), 122
 - Gryllotalpa africana* (mole cricket), 188
 - Homoeogryllus orientalis* (bell cricket), 188
 - Oecanthus* sp. (tree cricket), 188
 - Phalangopsinae (long-legged tree crickets), 122–123
 - Phalangopsis* sp. (fungus-feeding cricket), 122–123
 - Paragryllus* sp. (long-legged tree cricket), 123
- crustaceans (Crustacea), 23–35
- daddy longlegs (Opiliones), 114–115
- Cynorta* sp., 114
 - Phalangium* sp., 115
- damsel fly, *see* Odonata
- dragonfly, *see* Odonata
- earwig (*Spongiophora* sp.), 4
- flatworms (Platyhelminthes), 23, 38–39
- flies
- Ceratopogonidae (parasitic flies), 166
 - Diopsidae (stalk-eyed flies), 164–165
 - Dolichopodidae (long-legged fly), 165
 - Forcipomyia* sp. (parasitic fly), 166, 167
 - Glossina* sp. (tse-tse fly), 165
 - Micropezidae (stilt fly), 165
 - Muscidae (common flies), 165
 - Nycteribiidae (parasitic flies), 167
- fulgorids
- Enchophora rosacea*, 87
 - Enchophora sanguinea*, 86
- frogs, 43–45
- Agalychnis calcarifer* (striped tree frog), 55
 - Agalychnis callidryas* (red-eyed tree frog), 48–49, 56
 - Amnirana occidentalis* (African golden frog), 58
 - Arthroleptis*, 257
 - Boophis luteus* (Malagasy web-footed frog), 49, 57

- Centrolenidae (glass frogs), 61
Ceratobatrachus guentheri (eyelash frog, triangle frog), 52–53
Hyalinobatrachium valeroi (glass frog), 60
Hyla ebreccata (marbled tree frog), 54
Hyla rufitela (red-webbed tree frog), 57
Hylidae (tree frogs), 48
Hyperolidae (reed frogs), 48
Hyperolius chlorestus (Sierra Leone reed frog), 42
Hyperolius marmoratus (reed frog), 224–225
Hyperolius nasutus (reed frog), 224–225
Kassina cochranæ (leopard running frog), 58
Leptopelis hyloides (African tree frog), 59
Rhacophoridae (Old World tree frogs), 48
Scinax boulengeri (warty tree frog), 54
Silurana tropicalis (African clawed frog), 44
- fungi
Batrachochytrium dendrobatidis, 44
Cordyceps sp., 136
Escovopsis (parasitic leafcutter ant fungus), 126
Leucocoprinini (leafcutter ant fungi), 126
Stibella buquetii, 137
Metarhizium sp., 137
- geckos, see lizards
grasshoppers (Caelifera), 199–201
Catantops sp., 137
Chortoicetes terminifera (Australian plague locust), 200
Conozoa hyalina (Central Valley grasshopper), 201
Dictyophorus cuisinieri (foam grasshopper), 206
Gomphocerinae (slant-faced grasshoppers), 199
Heteracris sp. (savanna grasshopper), 208–209
Kraussaria sp. (emerald grasshopper), 208
Lagoonia scabronotum (common lagoonia), 202
Lamarckiana, 244
Leptacris, 185
Lithidium (rockhopper), 238
Lihidiopsis (rockhopper), 238
Locusta migratoria (migratory locust), 200
Monistria (Monistrias), 204–205
Pamphagidae (stone grasshoppers), 202, 240
Phymateus viridipes (green milkweed locust), 207
Pnorisa squalus, 211
Pyrgomorphidae (bush hoppers), 202
Schistocerca gregaria (desert locust), 200
Stenoscepa sp. (striped grasshopper), 207
Stropis glaucescens (green stropis), 203
Stropis maculosa (leopard grasshopper), 202
Stropis nigrovitellina (variable stropis), 203
Urnisiella, 232
Zebratula flavonigra (zebra grasshopper), 203
Zonocerus variegatus (variegated grasshopper), 207
- Hamelia patens* (fire bush), 88
harvestmen, see daddy longlegs
heelwalkers (Mantophasmatodea), 246–247
Tyrannophasma gladiator (gladiator heelwalker), 247
Mantophasma zephyra, 246–247
hermit crabs, see crabs
Heteroptera (true bugs, bugs)
Cimex lectularius (human bed bug), 90
Coreidae (leaf-footed bugs), 90
Hyalymenus sp. (ant-mimicking bug), 88, 89
Lopodytes (assassin bugs), 197
Pentatomidae (stink bugs), 90
Scutellaridae (shield bugs), 91
- ice crawlers (Grylloblattodea), 246
Isopoda, 23, 25
- katydids (Tettigoniidae), 63–65
Acanthoplus discoidalis (armored ground katydid), 187
Acricpeza reticulata (Australian mountain katydid), 63
Aegimia sp. (leaf-footed katydid), 71
Anoedopoda cf. *lamellata* (savanna katydid), 190
Celidophylla albimacula (giant leaf katydid), 66–67

katydids (Tettigoniidae) (continued)

Championica montana (moss katydid), 62, 79
Clonia caudata (longwinged clonia), 245
Copiphora cultricornis (yellow-faced spearbearer), 69
Copiphora hastata (brown-faced spearbearer), 69, 98
Copiphora rhinoceros (rhinoceros spearbearer), 68
Ectemna dumicola, 70
Enyaliopsis sp. (spiny katydid), 206
Euceraia insignis (Costa Rican leaf-wing), 73
Eurycorypha sp. (ant-mimicking katydid), 134–135
Haemodiasma tessellata (moss katydid), 78
Hyperphrona irregularis (leaf katydid), viii
Idiarthron hamuliferum (sylvan katydid), 173, 174
Ischyra sp., 70
Kawanaphila (pollen katydids), 192
Leiobliastes laevis, 10
Lonchitophyllum, 4
Microcentrum, 81
Mimetica crenulata (walking leaf), 74
Mimetica mortuifolia (walking leaf), 75
Mimetica viridis (walking leaf), 74
Neduba extincta (extinct shield-backed katydid), 65
Ocica, 65
Odontolakis sp., 72
Orophus tessellates (leaf-winged katydid), 68
Paramossula basalis (pandanus katydid), 76, 77
Paraphidnia, 254
Phaneropterinae (leaf-winged katydids), 70
Phillophyllia, 81
Phricta spinosa (spiny katydid), 76, 77
Phyllophorella woodfordi (helmeted katydid), 76–77
Plastocorypha vandicana, 72
Poecilimon marmaraensis, 250
Polichne sp. (ant-mimicking katydid), 133
Pseudorhynchus robustus (conehead katydid), 191
Pseudosaga maculata, 245
Steirodon, 64, 81
Stenampyx annulicornis (false leaf katydid), 61
Stilpnochlora azteca (Aztec katydid), 80, 81
Terpnistria zebrata (acacia katydid), 186

Thyridorhoptrum senegalesense (Senegal katydid), 191
Tympanophora uvarovi (balloon-winged katydid), 192–193
Tympanophorinae (balloon-winged katydids), 192
Vestria (Crayola katydid), 63
Xestoptera cornea, 82–83
Zeuneria melanopeza, 72, 73

Lepidoptera (butterflies and moths)

Acharia sp. (slug caterpillar), 143
Acraea althoffi, 141
Caligo sp. (owl butterflies), 145
Caligo eurilochus sulanus (owl butterfly), 139
Copaxa syntheratoides (silk moth), 148
Dysschema leda (tiger moth), 146
Enyo sp. (hawk moth), 148
Euphaedra xypete (fig eater), 138–139
Eurema hecabe (yellow butterfly), 140
Halysidota sp. (tiger moth), 149
Historis orion (orion), 144
Limacodidae (slug caterpillar moths), 143
Lycaenidae (blues), 131, 132, 133
Noctuidae, 86, 131, 133
Notodontidae (prominent moth), 142
Platynota sp., 86
Pteronymia carlia, 140
Pseudatteria leopardina (leafroller), 147
Salamis parhassus (salamis butterfly), 138, 139
Tortricidae (leafrollers), 86, 147
Yponomeutidae (ermine moths), 145

lizards (Sauria), 151–153
Agama planiceps (rock agama), 238, 239
Ameiva festiva, 153
Aristelliger lar (Hispaniolan giant gecko), 161
Basiliscus (basilisks), 153
Brookesia (dwarf chameleons), 152, 156
Brookesia superciliaris (dwarf chameleon), 156
Brookesia vadoni (dwarf chameleon), 152, 157
Chamaeleo dilepis (flap-neck chameleon), 187
Chamaeleo namaquensis (Namaqua

chameleon), 236–237
Chondrodactylus angulifer (giant ground gecko), 235
Corytophanes cristatus (helmeted iguana), 154–155
Draco (flying dragons), 151–152
Heloderma (Gila monsters), 153
Hemidactylus fasciatus (West African gecko), 160
Lepidophyma flavimaculatum (night lizard), 150
Meroles anchietae (shovel-snouted lizard), 231
Meroles ctenodactylus (Smith's desert lizard), 234
Palmatogecko (web-footed gecko), 230
Physignathus (water dragons), 153
Ptychozoon (flying geckos), 152
Rhampholeon (pygmy chameleons), 152
Rhoptropus Boultoni (Boulton's day gecko), 238, 239
Sphaerodactylus, 127
Thecadactylus (flying geckos), 152
Uroplatus fimbriatus (giant leaf-tailed gecko), 162
Uroplatus phantasticus (fantastic leaf-tailed gecko), 158–159, 162–163
Uroplatus sikorae (leaf-tailed gecko), 161
Varanus niloticus (Nile monitor), 151
locusts, see grasshoppers

mantidflies, see Neuroptera

mantids, see preying mantids

millipedes (Diplopoda), 118–119

Zootherium sp. (pill millipede), 119

Platydesmus sp., 119

mites (Acari), 95–97

Proctolaelaps kirmsei (flower mite), 88, 89

Trombidium sp. (velvet mite), 102

mopane tree (*Colophospermum mopane*), 184

moths, see Lepidoptera

Neuroptera (lacewings and relatives), 216–217

Ascalaphidae (owl flies), 217

Mantispidae (mantidflies), 217

Myrmeleontidae (ant lions), 211, 216

Odonata (dragonflies and damselflies), 40–41

Gynacantha tibiata (dragonfly), 40

Palpopleura portia (blue dragonfly), 41

Sapho ciliata (damselfly), 41

owl flies, see Neuroptera

pillbugs, see Isopoda

planarians (Tricladida), 38–39

planthoppers, see Auchenorrhyncha

preying mantids (Mantodea), 169–171

Choeradodis rhombicollis (hooded mantid), 175

Episcopomantis chalybea (double-coned grass mantid), 220

Hoplocorypha macra (grass mantid), 210

Hoplocorypha sp. (grass mantid), 170, 221

Liturgusa, 170

Liturgusa annulipes (tree mantid), 176–177

Macromantis hyalina (giant mantid), 172–173

Miomantis sp. (savanna mantids), 223

Polyspilota aeruginosa (preying mantid), 41, 222

Pseudocreobotra wahlbergi, 170

Pyrgomantis sp. (cone-headed stem mantid), 220

Sphodromantis sp. (African mantid), 170, 175

Tauromantis championi, 174

Tenodera aridifolia, 170

Theopompella heterochroa, 177

pseudoscorpions (Pseudoscorpiones), 112–113

Atemnidae (social pseudoscorpions), 112–113

ricinuleids (Ricinulei), 102, 103

Ricinoides afzelii, 103

Cryptocellus sp., 103

rockhopper, see grasshoppers

roundworms (Nematoda), 23

scorpions (Scorpiones), 95–97

Centruroides bicolor, 99

Centruroides limbatus, 98–101

- scorpions (Scorpiones) (*continued*)
Opisthophthalmus carinatus, 240
Pandinus (emperor scorpion), 97
Uroplectes planimanus, 240
- snail (*Caracolus* sp.), 30
- solifuges (Solifugae), 242–243
- sowbugs, *see* Isopoda
- spiders (Araneae), 95–97
Agrioppe savignyi (tiger spider), 104–105
Alcimosphenus licinus (spider), 111
Ammoxenus (sand-diver spiders), 197
Anasaitis sp. (jumping spider), 107
Deinopsis sp. (net-casting spider), 104
Bathippus sp. (jumping spider), 107
Eriauchenius sp., 110
Gasteracantha cancriformis, 109
Gasteracantha metallica, 108
Gasteracantha sp., 109
Leiobunum sp., 115
Marpissinae (bark jumping spiders), 106
Micrathena obtusispina, 109
Myrmarachne sp. (ant-mimicking jumping spider), 135
Phiale formosa (jumping spider), 107
Poltys sp., 110
Psalmopoeus reduncus (tarantula), 94
Salticidae (jumping spiders), 106–107
Selenopidae (selenopid crab spiders), 176
Stephanopsis sp., 110
- sun spiders, *see* solifuges
- termites (Isoptera), 194–197
Hodotermes mossambicus (harvester termite), 211
- thorn bug, *see* Auchenorrhyncha
- toads (Bufonidae)
Bufo marinus (cane toad), 50–51
Bufo periglenes (golden toad), 51
Bufo superciliaris (Cameroon toad), 51
Nimbaphrynoides occidentalis (West Nimba toad), 51
- treehoppers, *see* Auchenorrhyncha
- true bugs, *see* Heteroptera
- velvet mite (*Trombidium* sp.), 102
- velvet worms (Onychophora), 36–37
Peripatus acacioi, 37
- vinegaroons (Uropygi), 97
- walking stick (Phasmatodea)
Bacteria sp., 20
Eurycnema goliath, 20
Metriophasma diocles, 20
Metriophasma sp., 166, 167
Prisopus sp., 21
- wasps, parasitic (Encyrtidae), 80
- weevils, *see* beetles
- welwitchia (*Welwitchia mirabilis*), 237
- whip scorpions (Amblypygi), 97
Phrynus parvulus, 116–117
